MÕNED NÄITED STARLINE OEM LAHENDUSTEST

The screenshot shows the Google Play Store interface for the "StarLine for Mazda" app. The app is developed by StarLine LLC and is categorized under "Autod ja sõidukid" (Cars and Vehicles). It has a rating of 4.5 stars from 67 reviews and is PEGI 3 rated. The app icon features the "SMART CONTROL" logo. Below the app title, there are four preview images showing the app's interface on a smartphone, including a car status screen, a map with a car location, and a settings menu. A "Lisa sooviloendisse" (Add to wishlist) button is visible. At the bottom, there is a translation option and a description in Russian: "Приложение разработано для владельцев автомобилей Mazda, с установленным охранно-телематическим комплексом у официального дилера." (The application is developed for owners of Mazda cars, with an installed security and telematics system at the official dealer.) Below the description, it says "Простая регистрация" (Simple registration).

The screenshot shows the Google Play Store interface for the "Hyundai Auto Link" app. The app is developed by HYUNDAI MOTOR COMPANY LTD and is categorized under "Autod ja sõidukid" (Cars and Vehicles). It has a rating of 4.5 stars from 180 reviews and is PEGI 3 rated. The app icon features the Hyundai logo and a checkmark. Below the app title, there are four preview images showing the app's interface on a smartphone, including a car status screen, a map with a car location, and a settings menu. A "Lisa sooviloendisse" (Add to wishlist) button is visible. At the bottom, there is a translation option and a description in Russian: "Скачайте бесплатное мобильное приложение Hyundai Auto Link (Russia), чтобы управлять автомобилем со смартфона." (Download the free mobile application Hyundai Auto Link (Russia) to manage your car from a smartphone.)
